

**Products and services of our partners**

Panel instruments, position indicators,  
transducers, energy meters, remote meter  
reading systems

Cewe Instrument AB,  
Nyköping/Sweden

Pressure and density switches, light arc  
detectors,  
capacitive voltage detection systems,  
motor control boards, valves- and  
couplings

ELECTRONSYSTEM\*MD SRL  
Bergamo/Italy

Current- and voltage transformers for LV  
and MV applications

ELEQ b.v.  
Kerpen & Steenwijk/Germany &  
Netherlands

Cast resin busbar systems for MV and HV  
applications, wall bushings

MGC Moser-Glaser AG  
Kaiseraugst/Switzerland

Electronic protection relays

Woodward SEG GmbH & Co. KG  
Kempen, Germany

Switchgears, commissioning and  
installation of industrial applications
